The Joey D's Story

Joey D's was established in October of 1994. The name had grown long before. Joseph was born in 1967 to the parents of Bob and Maria. Bob was born and raised in the city of Chicago and Maria was born and raised in Naples, Italy; then they both met in Chicago Illinois. "Joey D" was born with a rare genetic disease called 'Cockayne Syndrome'. Joey D's life expectancy was 12 years of age, which was the average life expectancy for children with this disease. Joey D outlived all those skeptics, passing on September 13th of 2000. Joey D lived to be 32 years old- the oldest known case from this crippling disease. "Joey D" will live on with all the support from our very loyal patrons. The restaurant continues in the family tradition with the passionate work ethic of Joey D's two brothers, Bobby and Tommy.

We Thank you for being great customers!
Many Thanks,
The Entire Joey D's Family
